Christi Neroni, Community Action  
CREW Pittsburgh

**Area of Specialization:** Title Insurance and Law

**Biography:** Christi graduated from Waynesburg College in 1985. After college, Christi worked for a large title insurance / vendor management company for five (5) years where she worked on residential real estate transactions across the country as a Regional Manager / Team Leader and in the company's Risk Management Department. Christi then joined one of the top law firms in the City of Pittsburgh as a real estate paralegal where she worked for five (5) years on multi-state commercial real estate transactions. She attended law school in the evenings while working during the day as a paralegal and graduated in 2000 from Duquesne University School of Law. Christi then joined one of the ten largest law firms in the City of Pittsburgh as an associate where she practiced real estate law and became Vice President of TARES, the firms wholly owned title insurance subsidiary. In 2007 Christi joined United General Title Insurance Company as Underwriting Counsel for the Commonwealth of Pennsylvania. While servicing title insurance agencies through her work as underwriting counsel, she saw the need for agencies to have a reliable resource to supplement staffing needs and the expertise needed to handle all types of transactions. To fill this missing piece, Agency Assist Outsource Solutions, LLC was formed in 2008, providing title insurance agencies and real estate professional with options.

Christi has been a member of CREW Pittsburgh since 2003. She has served as CREW Pittsburgh's Communications Director (2003), Events Director (2004), Membership Director and National Delegate (2005), President Elect and National Delegate (2006), President (2007), Past President (2008) and currently serves the local membership as Community Action Director and serves on the 20th Anniversary Task Force with CREW Network.
