Peggy Carpenter, Program Director
CREW Pittsburgh

Biography: Peggy applies her diverse technical and management background to identifying and implementing the most advantageous business solutions for her clients' environmental challenges. As President of CP Environmental Group, Inc., (CPEG) she continues her solid track record of effectively applying applicable regulations and innovative techniques to achieve client goals while minimizing project costs.

Peggy earned bachelor of science degrees in geology, computer science and mathematics, has successfully completed many graduate level and continuing education courses in environmental hydrogeology, assessment and remediation techniques, and has over 24 years of experience in environmental consulting. She has published and given technical presentations on environmental methods and innovative site closure techniques at industry/technical society conferences/meetings and multiple Certified Hazardous Materials Managers exam prep courses. In addition to her technical responsibilities, Peggy has overall responsibility for quality assurance, business development and financial management at CPEG, an award-winning woman-owned (WBE) and 8(a)-certified environmental consulting firm.

CPEG awards include: Woman Business of the Year, 2008, for southwestern PA SBA region; Top 100 Diversity-owned Businesses in Pennsylvania, 2006, 2007, 2008, 2009; and Best of Business Award in the Environmental Services Category by the Small Business Commerce Association, 2009). Peggy was selected as a winner of the 2010 Women in Business Awards by the Pittsburgh Business Times. The second-annual Women in Business Awards program celebrates 25 outstanding women who have made extraordinary contributions to the Pittsburgh region – our Top 25 Women Leaders in Business. Peggy's certifications include Professional Geologist (PA), Licensed Remediation Specialist (WV), Certified Professional Geologist (American Institute of Professional Geologists), Registered Environmental Manager (National Registry of Environmental Professionals), and Certified Hazardous Materials Manager (IHMM).

She has served in various offices including President of the AIPG PA Section and the Three Rivers Chapter of the Academy of Certified Hazardous Materials Managers, and the National AIPG Advisory Board. She is currently the 2011 Programming Director for the CREW Pittsburgh chapter.
